**Purpose:** Form **REG-15** is an application for a Small Winery Certificate. Any winery that produced not more than 55,000 wine gallons of wine during the preceding calendar year can apply for a Small Winery Certificate. If DRS grants your application, we will issue you a **Form OR-267, Small Winery Certificate**.

A licensed distributor of alcoholic beverages is subject to the Connecticut alcoholic beverages tax at the rate of 15¢ per wine gallon (rather than the regular rate of 60¢ per wine gallon) if:

- The licensed distributor is selling still wine that contains not more than 21% of absolute alcohol by volume; and
- The still wine is produced by a winery with a Small Winery Certificate.

*Still wine* contains not more than 0.392 of a gram of carbon dioxide per hundred milliliters of wine. (Alcoholic cider is a still wine if it contains not more than 0.392 of a gram of carbon dioxide per hundred milliliters of wine.)

Form **REG-15** expires annually on June 30 and is renewable only if you file another **REG-15**.

If you have any questions, call the Excise/Public Services Taxes Subdivision at **860-541-3225**, Monday through Friday, 8:00 a.m. to 5:00 p.m.

**Declaration:** I declare, under the penalty of false statement, that I have examined this application, **REG-15**, and to the best of my knowledge and belief it is true, complete, and correct. The applicant named above produced not more than 55,000 wine gallons of wine during the preceding year. I understand that the penalty for willfully delivering a false application to DRS is a fine of not more than \$5,000, or imprisonment for not more than five years, or both.
